NOTICE OF FILING

DOCKET NO. 2014-412-C

Docket Summary: Application to Transfer Customers of ILD Corp. and Its Regulatory Subsidiary Intellical Operator Services, Inc. to WiMacTel, Inc.

ILD Corp. and its regulatory subsidiary Intellical Operator Services, Inc. (ILD) and WiMacTel, Inc. (WiMacTel) have filed an Application with the Public Service Commission of South Carolina (Commission). The Application was filed pursuant to S.C. Code Ann. Section 58-9-310. The Application reveals the planned transfer of certain aggregator location contracts and postpaid calling card customers from ILD to WiMacTel. On June 16, 2014, ILD and WiMacTel entered into an Asset Purchase Agreement (Agreement), and, according to the Application, in exchange for consideration, WiMacTel will acquire from ILD all aggregator service contracts and ILD postpaid calling card customers in the State of South Carolina along with customer related data, databases, and customer records needed to support the provision of these services. Regarding the customer impact, if the instant Application is approved, the Application reveals that the transition to WiMacTel will be virtually transparent to most customers, and ILD's customers affected by this transaction will continue to receive the same services from WiMacTel under the current rates, terms, and conditions as they currently enjoy.
